CHARACTERISTICS OF GEM

GEM has been established as a market designed to accommodate companies to which a high investment risk may be attached. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. Furthermore, there may be risks arising out of the emerging nature of companies listed on GEM and the business sectors or countries in which the companies operate. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

The principal means of information dissemination on GEM is publication on the internet website operated by the Stock Exchange. Listed companies are not generally required to issue paid announcements in gazetted newspapers. Accordingly, prospective investors should note that they need to have access to the GEM website in order to obtain up-to-date information on GEM-listed issuers.

NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to provide you with information regarding the resolutions to be proposed at the AGM required to be held at 2:30 p.m. on Monday, 21 January 2008 at Conference Room, Unit A, 7th Floor, Guangdong Investment Tower, 148 Connaught Road Central, Hong Kong, which, upon approval, would enable the Company to, among other things:

- (a) repurchase Shares not exceeding 10% of the aggregate nominal value of the Shares in issue as at the date of passing such resolution;

LETTER FROM THE BOARD

- (b) issue new Shares not exceeding 20% of the Shares in issue on the date of passing the relevant resolution and those Shares repurchased by the Company pursuant to the Repurchase Mandate set out in (a) above;
- (c) re-elect Directors; and
- (d) refresh the Scheme Mandate Limit.

GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES

On 8 December 2006 and 28 August 2007, general mandates were given to the Directors to exercise the powers of the Company to repurchase Shares and to issue new Shares respectively. Such mandates will lapse at the conclusion of the AGM.

At the AGM, it will be proposed, by way of ordinary resolution, that the Directors be given a general mandate to (i) repurchase Shares, the aggregate nominal amount of which does not exceed 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing the ordinary resolution; and (ii) allot, issue and otherwise deal with new Shares not exceeding 20% of the aggregate nominal amount of the issued share capital of the Company on the date of passing the ordinary resolution and the nominal amount of any Shares repurchased by the Company (up to a maximum of 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing the ordinary resolution). Any issue of new Shares is subject to approval from the Stock Exchange for the listing of, and permission to deal in, such new Shares.

An explanatory statement containing information relating to the Repurchase Mandate as required by Rule 13.08 of the GEM Listing Rules is set out in Appendix I to this circular. This explanatory statement provides the Shareholders with information reasonably necessary to enable them to make an informed decision on whether to vote for or against the resolution relating to the Repurchase Mandate.

RE-ELECTION OF DIRECTORS

In accordance with Article 112 of the Articles of Association, Mr. Poon Lai Yin Michael, Mr. Lo Chi Kit and Mr. Tam Hang Chuen, the independent non-executive Directors, and Dr. Arthur Ross Gorrell, a non-executive Director, will retire at the AGM and, being eligible, will offer themselves for re-election at the AGM. Information on such independent non-executive Directors and non-executive Director as required to be disclosed under Rule 17.50(2) of the GEM Listing Rules is set out in Appendix II to this circular.

LETTER FROM THE BOARD

REFRESHMENT OF THE SCHEME MANDATE LIMIT

As at 25 January 2003, being the adoption date of the Share Option Scheme, the maximum number of Old Shares which may be issued upon exercise of all options to be granted under the Share Option Scheme was 38,484,000 Old Shares, being 10% of the Old Shares in issue on the adoption date of the Share Option Scheme.

As at 23 March 2007, being the date of the last refreshment of the scheme mandate limit of the Share Option Scheme, the maximum number of Old Shares which may be issued upon exercise of all options to be granted under the Share Option Scheme was 42,018,000 Old Shares, being 10% of the Old Shares in issue on the date of the last refreshment of the scheme mandate limit of the Share Option Scheme.

As at the Latest Practicable Date, there were in issue 2,225,680,800 Shares and 80,187,200 options under the Share Option Scheme were outstanding entitling the holders of the options to subscribe for an aggregate of 80,187,200 new Shares.

It is proposed that subject to the approval of the Shareholders at the AGM and such other requirements prescribed under the GEM Listing Rules, the limit on grant of options under the Share Option Scheme will be increased to the Refreshed Limit and, options previously granted under the Share Option Scheme or any other share option scheme(s) of the Company (including those exercised, outstanding, cancelled or lapsed in accordance with the Share Option Scheme or such other scheme(s) of the Company) will not be counted for the purpose of calculating the limit as refreshed.

Pursuant to the GEM Listing Rules, the Shares which may be issued upon exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme and any other share option scheme(s) of the Company at any time will not exceed 30% of the Shares in issue from time to time. No options shall be granted under any scheme(s) of the Company or any of its subsidiaries if this will result in the 30% limit being exceeded.

As at the Latest Practicable Date, there were 2,225,680,800 Shares in issue. Assuming that no further Shares will be issued or repurchased prior to the date of approving the refreshment of the Scheme Mandate Limit by the Shareholders, the maximum number of Shares which fall to be issued upon exercise of all options that may be granted by the Company under the Refreshed Limit would be 222,568,080 Shares, representing 10% of the Shares in issue as at the date of the approval of the proposed refreshment of the Scheme Mandate Limit to the Refreshed Limit by the Shareholders at the AGM.

The Directors consider that, in order to provide the Company with greater flexibility in granting options to eligible person(s) under the Share Option Scheme, the Board decides to seek the approval of the Shareholders to refresh the Scheme Mandate Limit so that the total number of Shares which may be issued upon exercise of all options to be granted under the Share Option Scheme and any other scheme(s) of the Company shall not exceed the Refreshed Limit.

LETTER FROM THE BOARD

Conditions

As required by the Share Option Scheme and the GEM Listing Rules, an ordinary resolution will be proposed at the AGM to approve the Refreshed Limit such that the total number of securities which may be issued upon exercise of all options to be granted under the Share Option Scheme and any other share option scheme(s) of the Company must not exceed the Refreshed Limit.

The adoption of the Refreshed Limit is conditional upon:

- (a) the Shareholders passing an ordinary resolution to approve the Refreshed Limit at the AGM; and
- (b) the Stock Exchange granting the approval of the listing of, and permission to deal in, the new Shares to be issued pursuant to the exercise of any options that may be granted under the Share Option Scheme under the Refreshed Limit.

Application for Listing

Application will be made to the GEM Listing Committee for the granting of the approval of the listing of, and permission to deal in, the new Shares which fall to be issued upon the exercise of any options that may be granted under the Share Option Scheme under the Refreshed Limit.

THE AGM

The details of the AGM are set out below:

Date: 21 January 2008

Time: 2:30 p.m.

Venue: Conference Room, Unit A, 7th Floor, Guangdong Investment Tower, 148 Connaught Road Central, Hong Kong

The Notice is set out on pages 14 to 19 of this circular. A form of proxy for use at the AGM is enclosed. Whether or not the Shareholders intend to attend the AGM, they are requested to complete the enclosed form of proxy in accordance with the instructions printed thereon and deposit it with the Company's Hong Kong branch share registrar, Tricor Tengis Limited, 26/F Tesbury Centre, 28 Queen's Road East, Hong Kong, as soon as possible and in any event so as to arrive not less than 48 hours before the time appointed for holding the AGM. Completion and return of the form of proxy will not preclude the Shareholders from attending and voting in person at the AGM (or any adjournment thereof) should they so desire.

LETTER FROM THE BOARD

POLL PROCEDURES

Pursuant to Article 72 of the Articles of Association, at any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) demanded:

- (a) by the chairman of such meeting; or
- (b) by at least three Shareholders present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy for the time being entitled to vote at the meeting; or
- (c) by any Shareholder or Shareholders present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy and representing not less than one-tenth of the total voting rights of all the Shareholders having the right to vote at the meeting; or
- (d) by any Shareholder or Shareholders present in person (or, in the case of a Shareholder being a corporation, by its duly authorized representative) or by proxy and holding Shares conferring a right to vote at the meeting being Shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the Shares conferring that right; or
- (e) if required by the GEM Listing Rules, by any Director or Directors who, individually or collectively, hold proxies in respect of Shares representing five % or more of the total voting rights at such meeting.

RECOMMENDATION

The Directors consider that the granting of general mandates to issue and repurchase Shares, the re-election of Directors and proposed refreshment of the Scheme Mandate Limit are in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend all Shareholders to vote in favour of all the resolutions to be proposed at the AGM.

Yours faithfully,
For and on behalf of
Enviro Energy International Holdings Limited
Chan Wing Him Kenny
Chairman

This is an explanatory statement given to all Shareholders relating to a resolution to be proposed at the AGM authorizing the Repurchase Mandate.

This explanatory statement contains information required by Rule 13.08 of the GEM Listing Rules which are set out as follows:

1. EXERCISE OF THE REPURCHASE MANDATE

As at the Latest Practicable Date, the issued ordinary share capital of the Company comprised 2,225,680,800 Shares.

Subject to the passing of Resolution No. 2(ii) at the AGM and on the basis that no further Shares shall be issued or repurchased prior to the AGM nor outstanding options, if any, granted under the Share Option Scheme shall be exercised, the Company shall be allowed under the Repurchase Mandate to repurchase a maximum of 222,568,080 Shares during the period from the date of passing Resolution No. 2(ii) and ending on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by the Articles of Association or applicable laws of the Cayman Islands and the date upon which Resolution No. 2(ii) is revoked or varied by Shareholders in general meeting.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and its Shareholders as a whole for the Directors to have a general authority from Shareholders to enable the Company to repurchase Shares in the market. Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

3. FUNDING OF REPURCHASES

Any repurchases will only be funded out of funds of the Company legally available for the purposes in accordance with the Company's memorandum of association and Articles of Association and the applicable laws of the Cayman Islands. A listed company may not repurchase its own shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of GEM from time to time.

Under Cayman Islands law, repurchases by the Company may only be made out of profits of the Company or out of proceeds of a fresh issue of Shares made for the purpose or, if so authorized by its Articles of Association and subject to the provisions of the Companies Law, out of capital. Any premium payable on a redemption or purchase over the par value of the Shares to be repurchased must be provided for out of profits of the Company or out of the Company's share premium account or, if so authorized by its Articles of Association and subject to the provisions of the Companies Law, out of capital.

4. STATUS OF REPURCHASED SHARES

The GEM Listing Rules provide that the listing of all repurchased shares shall be automatically cancelled and that the certificates for those shares must be cancelled and destroyed. Under the law of the Cayman Islands, a company's repurchased shares shall be treated as cancelled and its issued share capital (but not the authorized share capital) will be reduced accordingly.

5. EFFECT OF EXERCISE OF THE REPURCHASE MANDATE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts of the Company for the year ended 31 July 2007) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

6. DISCLOSURE OF INTERESTS

None of the Directors and, to the best of their knowledge, having made all reasonable enquiries, none of their respective Associates, have any present intention, if the Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company.

No connected person (as defined in the GEM Listing Rules) has notified the Company that he has a present intention to sell Shares to the Company if the Repurchase Mandate is approved by Shareholders and neither has any of the connected persons undertaken not to sell his Shares to the Company in the event the Repurchase Mandate is approved by the Shareholders.

7. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

8. TAKEOVERS CODE CONSEQUENCES

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase in the Shareholder's interests, may obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code. The Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases of Shares pursuant to the Repurchase Mandate.

As at the Latest Practicable Date, Colpo Mercantile Inc. (“Colpo”) held 1,182,540,000 Shares (representing approximately 53.13% of the existing issued share capital of the Company). Should the power to repurchase Shares pursuant to the Repurchase Mandate be exercised in full and assuming there is no change in the issued share capital of the Company and the present shareholding of Colpo in the Company, Colpo would then be beneficially interested in approximately 59.04% of the issued ordinary share capital of the Company. Apart from Colpo (including its connected persons and associates within the meaning of the GEM Listing Rules), the Directors are not aware of any single Shareholder who holds 10% or more of the issued Shares.

On the basis of the shareholding held by the controlling shareholder named above and based, solely as a result of the exercise of the Repurchase Mandate in full, Colpo would not be obliged to make a mandatory offer under Rule 26 of the Takeovers Code. As at the Latest Practicable Date, so far as is known to the Directors, no other Shareholder may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code in the event that the Directors exercise the power in full to repurchase the Shares pursuant to the Repurchase Mandate. The Directors have no intention to exercise the Repurchase Mandate to an extent as may result in any mandatory offer to be made under the Takeovers Code.

9. SHARE PURCHASE MADE BY THE COMPANY

No repurchases of shares have been made by the Company in the previous six months before the Latest Practicable Date, whether on GEM or otherwise.

The Company will not repurchase any Shares if that repurchase would result in the number of Shares which are in the hands of the public falling below 25% of the issued share capital of the Company.

10. SHARE PRICES

The highest and lowest prices of the Shares as quoted on GEM in each of the previous twelve months before the Latest Practicable Date were as follows:

Month	Share Price

2006		
December	0.107	0.045

January	0.175	0.077
