CHARACTERISTICS OF GEM

GEM has been established as a market designed to accommodate companies to which a high investment risk may be attached. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. Furthermore, there may be risks arising out of the emerging nature of companies listed on GEM and the business sectors or countries in which the companies operate. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

The principal means of information dissemination on GEM is publication on the internet website operated by the Exchange. Listed companies are not generally required to issue paid announcements in gazetted newspapers. Accordingly, prospective investors should note that they need to have access to the GEM website in order to obtain up-to-date information on GEM-listed issuers.

Lam Chi Shing
Chairman

This is an explanatory statement given to all Shareholders relating to a resolution to be proposed at the AGM authorizing the Repurchase Mandate.

This explanatory statement contains information required pursuant to Listing Rule 13.08 which are set out as follows:

1. EXERCISE OF THE REPURCHASE MANDATE

As at the Latest Practicable Date, the issued ordinary share capital of the Company comprised 396,180,000 Shares.

Subject to the passing of Resolution No.2(ii) at the AGM and on the basis that no further Shares are issued or repurchased prior to the AGM nor outstanding options, if any, granted under the Share Option Scheme being exercised, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 39,618,000 Shares.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and its Shareholders as a whole for the Directors to have a general authority from Shareholders to enable the Company to repurchase Shares in the market. Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and Shareholders as a whole. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per share and will only be made when the Directors believe that such repurchases will benefit the Company and Shareholders as a whole.

3. FUNDING OF REPURCHASES

Any repurchases will only be funded out of funds of the Company legally available for the purposes in accordance with the Company's memorandum of association and Articles of Association and the applicable laws of the Cayman Islands. A listed company may not repurchase its own shares on the GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of GEM from time to time.

Under Cayman Islands law, repurchases by the Company may only be made out of profits of the Company or out of proceeds of a fresh issue of shares made for the purpose or, if so authorized by its articles of association and subject to the provisions of the Companies Law, out of capital. Any premium payable on a redemption or purchase over the par value of the shares to be repurchase must be provided for out of profits of the Company or out of the Company's share premium account or, if so authorized by its articles of association and subject to the provisions of the Companies Law, out of capital.

4. STATUS OF REPURCHASED SHARES

The Listing Rules provide that the listing of all repurchased shares is automatically cancelled and that the certificates for those shares must be cancelled and destroyed. Under the law of the Cayman Islands, a company's repurchased shares shall be treated as cancelled and its issued share capital (but not the authorized share capital) will be reduced accordingly.

5. EFFECT OF EXERCISE OF THE REPURCHASE MANDATE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts of the Company for the year ended 31 July 2005) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

6. DISCLOSURE OF INTERESTS

None of the Directors and, to the best of their knowledge, having made all reasonable enquiries, none of their respective associates, have any present intention, if the Repurchase Mandate is exercised, to sell any Shares to the Company.

No connected person (as defined in the Listing Rules) has notified the Company that he has a present intention to sell Shares to the Company if the Repurchase Mandate is exercised and neither has any of the connected persons undertaken not to sell his Shares to the Company in the event the Repurchase Mandate is exercised.

7. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

8. TAKEOVERS CODE CONSEQUENCES

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase in the Shareholder's interests, may obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 and 32 of the Takeovers Code. The Directors are not aware of any consequences which could arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

As at the Latest Practicable Date, Cyber Mission Ventures Limited (“Cyber Mission”) and Cyber Profit Group Limited (“Cyber Profit”) held 144,044,550 Shares (representing approximately 36.4% of the existing issued share capital of the Company) and 51,795,450 Shares (representing approximately 13.1% of the existing issued share capital of the Company) respectively. Should the power to repurchase Shares pursuant to the Repurchase Mandate be exercised in full and assuming there is no change in the issued share capital of the Company and the respective present shareholdings of Cyber Mission and Cyber Profit in the Company, Cyber Mission and Cyber Profit would then be beneficially interested in approximately 40.4% and 14.5% of the issued ordinary share capital of the Company respectively.

On the basis of the shareholdings held by the controlling and substantial shareholders named above and based, solely as a result of the exercise of the Repurchase Mandate in full, Cyber Mission would be obliged to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors have no intention to exercise the Repurchase Mandate to an extent as may result in any mandatory offer being made under the Takeovers Code.

9. SHARE PURCHASE MADE BY THE COMPANY

No repurchases of securities have been made by the Company in the previous six months, whether on GEM or otherwise.

10. SHARE PRICES

The highest and lowest prices of the Shares as quoted by the GEM in each of the previous twelve months before the Latest Practicable Date were as follows:

	Shares	
	Highest HK\$	Lowest HK\$
2004		
October	0.138	0.137
November	0.140	0.137
December	0.140	0.138

August	0.120	0.074
